

# Call For Participants

7T FACES

7 hour(s) to complete

Compensation for your time and reasonable travel expenses

Experiment

Warneford Ln, Headington,  
Oxford OX3 7JX, UK

University of Oxford

If you are healthy, without a history of a mental health disorder (like depression), aged 18 to 40 years, not pregnant, able to travel to Oxford, and you have good English, researchers from the University of Oxford invite you to take part in a study to investigate the effects of a single dose of an antidepressant on the brain's response to faces using an advanced brain scanner.
