Visual learning

60 min(s) to complete

£15 Cash

Experiment

Online

University College London

To take part in this study, you need to be a native user of a SIGN LANGUAGE, ideally ASL or BSL. This means that you must have started learning a sign language before the age of 2, and be a regular user of sign. You can be either a deaf / hard of hearing user of sign or a hearing bimodal user of sign and spoken language.

This is an online study on visual learning. In this study, you will spend 1 hour completing some online tasks on Visual learning. Please note that you need a computer.
