Self-Injury in young Bisexual people: A Longitudinal investigation (SIBL)

6 week(s) to complete

You will be entered into a prize draw for a £50 shopping voucher each time you complete a...

Online Questionnaire

Online

University of Manchester

The SIBL research project (based in the Division of Psychology and Mental health) aims to investigate the psychological experiences that are associated with non suicidal self-injury among young bisexual people. We aim to investigate this relationship by asking participants to complete an online survey once a week for 6 weeks
