University of Liverpool

Are you a 1st, 2nd, or 3rd year undergraduate? If so, I need you! I am currently recruiting participants to take part in a study investigating the relationship between Facebook use and adjustment to university life. All you need to do is email the provided address to be sent a short, 12 minute study. Taking part could be really helpful in helping us to understand the difficulties and stressors that students face whilst at university.
