Students Perceptions of Human Induced Climate Change

10 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Portsmouth

This questionnaire will be included as part of a BSc Geography degree dissertation critically assessing students' perceptions of climate change.

The questionnaire should take no longer than 10 minutes to complete and will have a mix of short answer and longer answer questions. There will be an option at the end of the questionnaire to provide your email address to volunteer for a potential focus group.

The responses will only be used for the
