

# Call For Participants

Interactions between personality, emotions, attitudes, and behaviours.

30 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Greenwich

The purpose of the study is to examine how certain personality traits, emotions, attitudes, and behaviours interact with each other. We are particularly interested in gaining a better understanding of how personality, as well as individual affective and cognitive traits influence the ways in which people shape their attitudes and behaviours.
