Dear Everyone!

This would be a fun project about why people use Tinder and what are the effects of it.

I would need 40 students who actively use and 40 students who do not use Tinder. In this moment I would need people who use it especially but everyone is welcome to join. In the first part, the task would be filling out 2 online questionnaires (max 15 min) and the second part would be the actual experiment, where you will have to rate a group of Hungarian students on
