

Call For Participants

Teenagers living with and beyond cancer - how do you spend your free time?

60 min(s) to complete

Sincere Gratitude

Interview (online or phone)

Online

Loughborough University

We are conducting research to identify how we can support teenagers living with and beyond a cancer diagnosis. We are looking to talk to people who:

- * Are aged between 13 and 24 years old
- * Was diagnosed with cancer between 13 and 19 years old

The study would involve a phone call or online video call to discuss how you spend your free time, and will take about 40 – 60 mins
