

Call For Participants

Relationship between sense of agency and schizotypal personality traits.

60 min(s) to complete

Sincere Gratitude

Online Questionnaire and computer based tasks

Online

University of Greenwich

I am Dr Agnese Venskus – Lecturer in psychology at the University of Greenwich. I am inviting you to take part in the study that examines the differences in sense of agency and number of schizotypal personality traits. You will be first asked to complete a questionnaire. Then, you will be asked to take two easy computer-based tasks. Participation is anonymous and voluntary. You can leave at any time during the study without giving a reason or skip any questions you do not wish to answer.
