

Call For Participants

Test a new blood pressure
android app - £20 worth of
voucher for your time

1 month(s) to complete

In total £20 worth of vouchers

randomised control trial

Online

University of Cambridge

Volunteers are needed to participate in a study where you will be given the opportunity to test a new app developed for patients with hypertension. Participants will be asked to use the app for one month and be interviewed at the end to gain feedback on how we can better improve the app and your experiences using the app.
