Health Priorities Study

15 min(s) to complete

Prize draw

Online Questionnaire

Online

University of East London

I am conducting research into how we view different health conditions and when we should seek help from professionals for those conditions. I aim to understand how we prioritise different health issues and as part of a larger study think about the implications of this for health funding, strategies and policies. Participants can enter the prize draw for one of three £25 Amazon vouchers.
