Evaluating Jury Decision Making on an Armed Robbery Case.

35 min(s) to complete

Sincere Gratitude

This study is an online study that requires you to read a series of documents before...

Online

Teesside University

The purpose of the study is to evaluate potential jurors' decision-making process in relation to a case concerning armed robbery. It is hoped that this research will shed light on the decision-making process jurors undertake when dealing with serious offences. This is an online study that should take approximately 35 minutes to complete.
